

Literacy Network of South Berkshire  
GIVE THE GIFT OF LITERACY

What to give to the person who has it all?  
**Honor him or her by giving the Gift of Literacy!**

**Your tax-deductible donation to LitNet**, made in honor of someone special, will support the education of 100 adults in southern Berkshire County. **This donation gives students a better life** by providing them with better reading skills, English fluency, or a high school equivalency diploma.

**It's simple!**

Fill out the **Donation Card** and send it to LitNet with your check or credit card information in the envelope provided. (For multiple gifts, the donation card may be copied.) Check the appropriate box to indicate how you want to handle the **Gift Announcement Card**:

- If **you** want to send or give the announcement to your Honoree personally, we will mail you the Announcement Card.
- Or, if you prefer, **LitNet** will mail the Announcement Card directly to your Honoree.

**To order by phone with a credit card, call (413) 243-0471.**
